LIVE THE

Legacy

“THUS FAR THE LORD HAS HELPED US.”
- 1 SAMUEL 8:12

BUILDING A LEGACY THAT LASTS

For over thirty years Freedom Fellowship has represented the Kingdom of God in the small community of New Braunfels, just north of one of the largest cities in America. Over those years, countless individuals and families have found a place of warmth, truth and friendship as well as a safe place to heal and serve in the Kingdom of God.

The church has become a unique place through that time, known for building close relationships with both God and one another, yet this is only the opening chapter of a history that promises to go on until the Lord’s return. What will lie ahead for this church is greater than the past. What will lie ahead is the building of a LEGACY that will stand strong for future generations.

LEGACY is not something you can give away. It is not something that can be bought, sold, or earned. Legacy is built by faith and made precious by the sacrifice of those who through perseverance built a foundation for those that would follow.

LEGACY endures through the years and every new generation of saints is called upon to add to that legacy. Our hope for these coming decades is that a legacy of righteous living, unity, humility and excellence will be deposited for our children and grandchildren as well as the many who seek out God within the doors of Freedom Fellowship Church.

These new facilities will double our current capacity for seating and will greatly expand our nursery and administration office areas. But buildings do not tell the complete story. They are simply a seed in the ground that will act as a catalyst for ministry as well as a future LEGACY that will be known throughout the world.

You are invited to invest in the work in God’s Kingdom in this community. Come, join us and build a LEGACY that lasts here at Freedom Fellowship Church.

THE PROJECT...

• Double the size of our nursery.
(Addition of 1,470 sq. ft.)

• Double the size of our sanctuary as well as
ministry specific space and balcony.

• Add 750 sq. ft. of visitor and overflow space.

• Increase lobby four-fold to 1,600 sq. ft.

• Added outdoor Patio and cafe.
(approx. 3,000 sq. ft.)

This is in addition to our current facilities which will become support facilities for education, community care and child care.

LEGACY

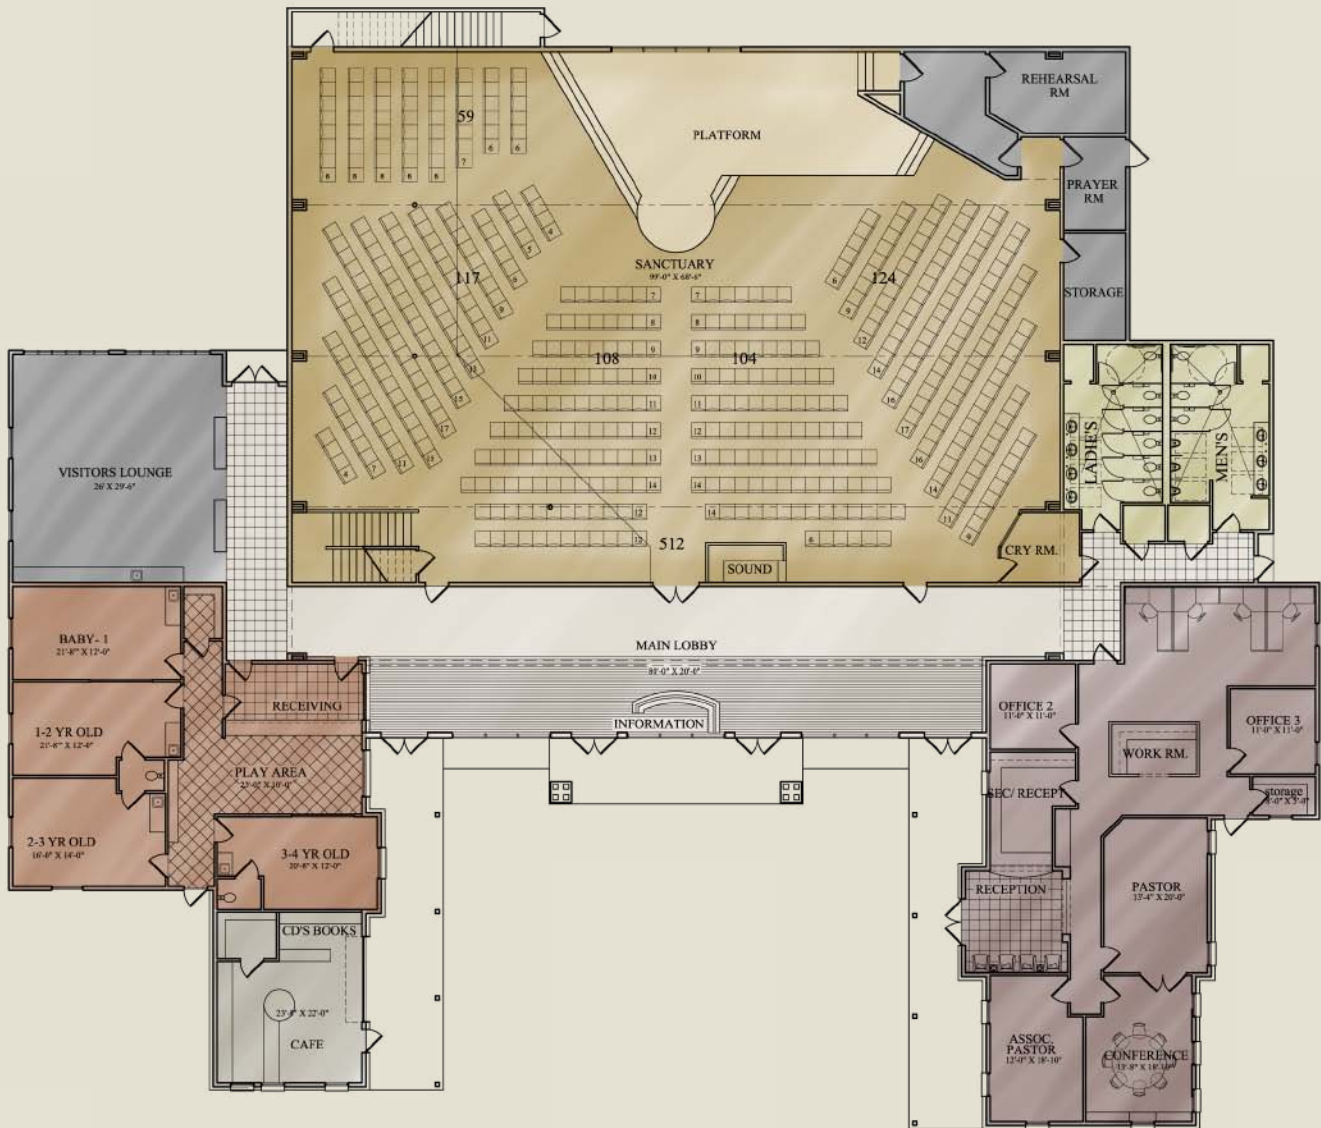

leg·a·cy (noun) [leg-uh-see]

Birthright, heritage including a reputation.

The precious possessions of an older generation being given to a younger generation.

“ARISE... FOR WE HAVE SEEN THE LAND, AND BEHOLD, IT IS VERY GOOD. AND WILL YOU SIT STILL? DO NOT DELAY TO GO, TO ENTER, TO POSSESS THE LAND!” - Judges 18:9

Freedom Fellowship is uniquely positioned at the major growth center of both central and south Texas. Already the area is exploding as entire neighborhoods, schools, businesses and commerce are locating in the widening corridors between Seguin to the east, Boerne to the west, Austin to the north and San Antonio to the south. With our current facilities filled to capacity, NOW is the time to *lengthen our tent ropes* and expand our campus as well as expand the influence of the Kingdom throughout the area.
